

The Eaglequest Tournament Experience

Thank you for considering Eaglequest as the host for your 2017 golf event!

We at Eaglequest are very excited to offer a wide range of options for your event along with a team of friendly, knowledgeable staff that will help design your perfect, and of course fun, golf day.

About Coyote Creek:

Coyote Creek is located in Surrey and is the finest mid-length golf course in the Lower Mainland. The course is long enough to allow you to hit every club in the bag and will test your game but at the same time is forgiving enough to keep it fun and enjoyable.

Coyote Creek offers a full tournament experience that your guests will be sure to be talking about. After you get off the links you will join us in one of our seven banquet rooms and be treated to an evening of fine food prepared by our Executive Chef Dan Marshall and his team.

Coyote Creek is also very excited to offer a new event experience. In 2014 Coyote Creek was the first golf course to offer Footgolf in the Greater Vancouver area. Footgolf is one of the world's fastest growing sports and combines the fast paced sport of soccer with the precision and tranquility of golf. It is played in groups of 4 players and is a great activity for Fund raisers, Team Building, Birthday parties, Corporate events, Year End parties or any reason to get together and have fun.
