**GGR** is a 3-level adult program designed for those players who are brand new to the game of golf or have very little experience. Learn the correct fundamentals and gain experience with all the different shots you need to play the game successfully. Establish and improve your golf skills as well as your “golf IQ” as you become more comfortable and get prepared to take your game to the golf course. Our Instruction team knows that getting off on the right foot with your game means ultimately having more fun!

In **GGR1** new players begin to learn the basic skills needed to gain confidence on the driving range and short game areas.
