**TOPTRACER
RANGE™**

We are excited to announce that we have installed Toptracer Range, powered by TopGolf, in all of our 74 hitting bays. Toptracer range is the same technology used on televised golf tournaments to track the shots of the game's best players. With Toptracer Range, guests can compete against friends, play virtual courses, and receive instant shot feedback on interactive game screens. The Toptracer technology appeals to all ages and abilities. We host **Birthday Parties, Company Gatherings** or any excuse to get together & have some **FUN!**

This technology will transform your everyday driving range experience.

The world's best players use it—now you can, too!

➤ Gaming offers a **My Practice** option for the golfer who is looking to dial in their club distances and work on ball flight and shot tendencies. **Go Fish for Kids, Long Drive, Closest to the Pin, Approach Shot Challenge, Driving Challenge** and a **Points Game** are all great options to choose from. Experience playing **Virtual Golf** on some of the world's most epic golf courses like Pebble Beach, St Andrews & Torrey Pines just to name a few.

➤ We highly recommend that before you arrive, you download the Toptracer Range app on your phone. Login to any Toptracer globally/ Store your ball flight information/ Access virtual golf courses.

GAME ON!

Tailor your range experience by playing the following Toptracer Range game modes:

MY PRACTICE

Dig deeper into your golf bag and learn the nuances of each type of club. This mode also allows you to store your stats on the Toptracer Range App.

APPROACH CHALLENGE

Fine-tune your iron play in this game of nine approach shots on your choice of three legendary courses.

GO FISH

Play individually or as a team to catch each of the 24 different sea creatures and as many stars as possible.

VIRTUAL GOLF

Experience some of the world's greatest golf courses, like Pebble Beach (shown), right from your bay. Play a full 18 holes without ever leaving the range.

CLOSEST TO PIN

The object of this classic game is simple: Hit it as close to the pin as possible. The player whose ball stops nearest the target wins.

LONG DRIVE

Who can hit the farthest? This game lets you settle the debate once and for all by turning the range in a proper long drive grid for up to eight players.

POINTS GAME

Compete for points based on proximity to the target. The closer you get to the target, the more points you earn. Add 'In Air' bonus rings for an extra challenge.
